

MULTI DISPLAY

DESCRIPTION

The multi display can display the navigation screen, air conditioner screen or audio screen on a 7.0 inch wide LCD (Liquid Crystal Display) with a pressure sensitive touch panel.

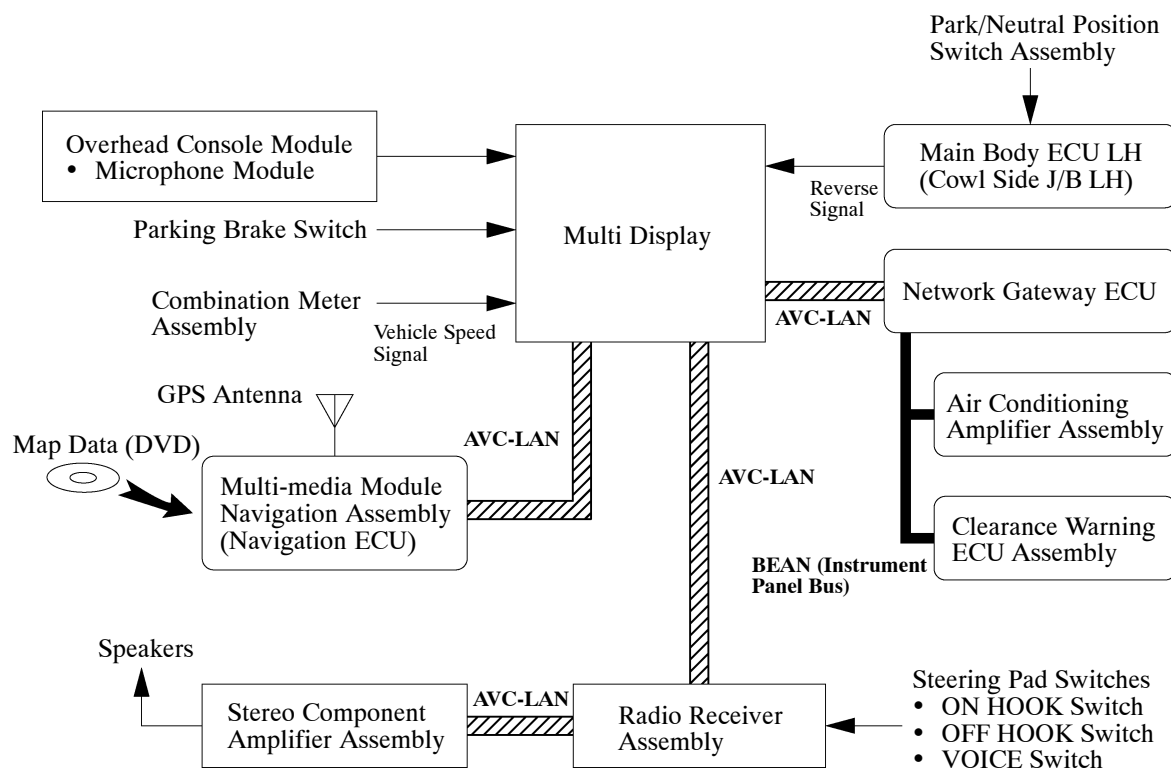

- The multi display is optional on all models.
- The multi display has a speech command system (voice recognition function). The speech command system (voice recognition function) supports English, German and French.
- The language of the touch-screen buttons, pop-up messages and voice guidance can be selected from English, German, French, Dutch, Italian, Danish, Swedish, Spanish, Portuguese and Norwegian.
- A hands-free function for Bluetooth-compatible cellular telephones is used.
