The floor plan of room 3A shows three distinct clusters of tables, each with a 3x6 grid of numbered seats. The clusters are arranged horizontally across the room. The left cluster contains seats 1 through 44, the middle cluster contains seats 45 through 52, and the right cluster contains seats 53 through 60. The room has a central aisle separating the middle and right clusters, and a larger open area on the left. The walls are indicated by thick black lines, and the room is labeled '3A White' at the top.
