The diagram shows a rectangular card rack with a central rectangular cutout. The rack is divided into three rows of slots. The top row has slots 1, 2, 3 on the left and 4, 5, 6 on the right, with the central cutout between them. The middle row contains slots 7 through 18 in a continuous sequence. The bottom row contains slots 19 through 30 in a continuous sequence.

White

The diagram shows a 100-point game board layout. At the top is a large rectangular area labeled '100 POINTS'. Below this, the board is divided into three horizontal sections. The top section contains two small squares labeled '1' and '2'. The middle section contains four pairs of adjacent squares labeled '3 4', '5 6', '7 8', and '9 10'. The bottom section contains four pairs of adjacent squares labeled '11 12', '13 14', '15 16', and '17 18'.
